

CHILDREN'S CROSS AGENCY SYSTEMS TRAINING (CAST)

Free Training

Throughout the year the public child serving systems will provide training to introduce social services personnel and parents to the different systems serving children. The aim of the training is to give individuals an understanding of

- Who each system serves,
- The eligibility criteria for each system,
- The range of available programs,
- How to advocate for your client in the various child serving systems,
- Who to contact at those resources if you are having difficulty with the services offered.

The systems presenting at this training are: public assistance, special education, child welfare services, public health, alcohol and drug abuse services, developmental disabilities, juvenile justice, juvenile rehabilitation, mental health, and involuntary treatment services.
